Sir,

With reference to your letter No. 644 Muz. 738-21-2, dated the 9th August 1922, enquiring whether the site recommended to be granted to the Mohamedans of Hunchadakatte village for the construction of a Jurma Masjid at Muniyur is unobjectionable from every point of view etc. I have the honour to state that as already reported, the villagers have no objection to the grant of the said land for the construction of the Jurma Masjid and that a Muchalika has also been obtained from the Sharelans that they would have no objection to other case persons passing in procession along the road adjoining the site. As a further precaution the gate-way of the mosque has been ordered to be placed away from the Road. In view of the above circumstances, there does not appear to be any objection to the grant of the site. The term "Free grant" was not intended to mean more than the grant of the site free of upset price after recovering the value of trees standing thereon i.e. Rs 2/- with cesses.
